

IELTS One Skill Retake

IELTS One Skill Retake is a new feature offering you the opportunity to retake just one section of IELTS – Listening, Reading, Writing, or Speaking, saving you time and money.

The format and timing of the test is the same as the section which examines the individual skill in a normal IELTS test.

If you choose IELTS One Skill Retake, you will receive a second Test Report Form with your IELTS One Skill Retake score, the scores from your original test and an overall CEFR score. You can choose whether you would like to use your old or new Test Report Form for the skill you retook.

IELTS One Skill Retake is available to test takers who have completed a full IELTS on Computer test and must be booked within 60 days of the original IELTS test being taken.

Conditions to book IELTS One Skill Retake

- You can book the test through the Test Taker Portal if you've recently completed a full IELTS on computer test.
- You must also have received your results from a test centre that offers IELTS One Skill Retake.
- You can only retake one skill once per original test, and you must sit the One Skill Retake within 60 days of your original test.
