

Special Circumstances

During online registration, you are asked whether you have a permanent disability, such as a visual, hearing or specific learning difficulty, which requires special arrangements (for example, modified material, extra time, use of technology, etc.). If you do, answer yes, give brief details and then along with other registration documents, you will need to provide original supporting medical evidence.

N.B. as stated in online registration, the medical evidence must be in the form of a report prepared in a period no more than two years before the test date. Requests for modified test materials must be submitted AT LEAST 3 MONTHS BEFORE THE TEST.
